

Firefox - Setting employee.mountainseed as your home page

<p>1. Open Firefox > Click More actions button > Settings</p>	 <p>A screenshot of the Firefox browser window. The address bar shows 'https://www.google.com/?gws_rd=ssl'. The Google logo and search bar are visible. The 'More actions' menu (three horizontal lines) is open on the right side. A red arrow labeled '1.' points to the menu, and another red arrow labeled '2.' points to the 'Settings' option at the bottom of the menu.</p>
<p>2. Click Home > Select Custom URLs... > enter employee.mountainseed.com</p>	 <p>A screenshot of the Firefox 'about:preferences#home' settings page. The left sidebar shows 'Home' selected. The main content area is titled 'Home'. Under 'New Windows and Tabs', the 'Homepage and new windows' section is expanded. A red arrow labeled '1.' points to the 'Home' option in the sidebar. Another red arrow labeled '2.' points to the 'Custom URLs...' dropdown menu. A third red arrow labeled '3.' points to the text input field containing 'employee.mountainseed.com'.</p>
<p>3. Select Blank Page for New tabs > Close Firefox</p>	 <p>A screenshot of the same Firefox 'about:preferences#home' settings page. The 'New tabs' dropdown menu is now set to 'Blank Page'. A red arrow points to this dropdown menu.</p>
